

DIRECTIONS FROM VANCOUVER:

You have two choices: Route 3 via Princeton, Hedley and Keremeos or Route 5 via (Kelowna), Peachland and Summerland

ROUTE 3

Get on the Trans Canada Highway and just past Hope, take Route 3, also known as the Crow's Nest Highway. Follow the signs to Penticton. As you see Skaha Lake on your right & Penticton on the horizon, watch for our sign after you pass the Roots & Fruits stand on your right. The highways department made a typo on the sign so it says: "BRANBURY" ... but it's us. For those of you who don't mind a "charming country road" i.e. gravel, steep, **narrow** single lane and windy, turn right onto Ash Avenue. The Camp Along Tent & Trailer is on the corner of Ash Ave. & Highway 97. In the event that you are towing anything, including boats, or driving a large RV, we advise that you stay on the highway and proceed PAST us and turn around. After you've turned around, head back south on Hwy. 97 and make an easy left onto Pineview Drive. Continue down Pineview - at the bottom is our gate on your left. Follow the road down to the lake.

ROUTE 5

Get on the Trans Canada Highway and just past Hope, take Route 5, also known as the Coquihalla Highway. Just before you reach Merit you will see a sign for Kelowna. Take the Kelowna exit which will put you onto Highway 97C (the Connector). The highway ends in Peachland. From here you'd take the left to go to Kelowna but, to get to Banbury Green, you need to head south on Highway 97 and follow the signs to Penticton and/or Osoyoos. Once in Penticton, you will turn right onto Railway Street ("End of the Roll" is on the corner), which turns into Channel Parkway. Travel down Channel Parkway and turn right onto Skaha Lake Road which becomes Highway 97 again. You will pass the airport on your right and have Skaha public beach on your left. Follow the long hill out of town and watch for our signs. Once the hill flattens out, you will make an easy left turn at our sign onto Pineview Drive. Continue down Pineview - at the bottom is our gate on your left. Follow the road down to the lake.
